

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

This endorsement modifies insurance provided under the following:

**MARINE GENERAL LIABILITY COVERAGE PART
PROTECTION AND INDEMINTY FORM**

PUBLIC UTILITIES – DREDGING, EXCAVATION OR PILE DRIVING

In consideration of no change in premium it is understood and agreed that the following changes are hereby made to this policy:

It is a condition of coverage under this policy that prior to beginning any Dredging, Excavation, or Pile Driving activities, the insured must notify in writing and receive clearance in writing from all gas, water, electric and sewer utilities companies who provide service in the job site area.

Further, if insured's activities involve dredging in any public waterway, written notice shall be given to local U.S. Coast Guard station or Commander prior to beginning any dredging activities and all vessels and dredge pipe shall be lighted and marked in accordance with Coast Guard requirements.

ALL OTHER TERMS AND CONDITIONS REMAINED UNCHANGED.
