**AMENDATORY ENDORSEMENT – ATLANTIC OCEAN OR GULFSTREAM
WATERS CROSSING WARRANTY**

This endorsement modifies insurance provided under the following:

PROTECTION AND INDEMNITY COVERAGE FORM
VESSEL PHYSICAL DAMAGE COVERAGE FORM

The following warranty is added to **OTHER POLICY CONDITIONS AND WARRANTIES:**

Atlantic Ocean or Gulfstream Waters Crossing Warranty

As a condition of coverage, it is warranted that the “insured” will not commence a crossing of any Atlantic Ocean waters or Gulfstream waters with any “vessel” between the period of December 1st through March 30th.

This warranty applies when the National Oceanic and Atmospheric Administration Agencies report wind characteristics, as shown below, as indicated in the last 24 hours prior to a crossing or as current characteristics or as forecasted characteristics 48 hours in advance of a crossing:

- a. Any wind out of the North; or
- b. More than 10 knots of wind out of the East; or
- c. More than 15 knots of wind out of the West.

A crossing of any Atlantic Ocean waters or Gulfstream waters with any “vessel” under the circumstances described above shall render insurance null and void.

If coverage is null and void, “we” will not defend claims or suits seeking damages resulting from “bodily injury” or “property damage”.

All other policy terms and conditions remain unchanged.
