

**THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

**AMENDATORY ENDORSEMENT – VESSEL TOWER CERTIFICATE OF INSURANCE WARRANTY**

This endorsement modifies insurance provided under the following:

**PROTECTION AND INDEMNITY COVERAGE FORM**

The following is added to **OTHER POLICY CONDITIONS AND WARRANTIES**:

**Vessel Tower Certificate of Insurance Warranty**

As a condition of coverage it is warranted that “you” will require persons or entities towing, pushing or handling any “vessel”, shown on the Declarations, to provide a valid current certificate of insurance that “you” can produce when “we” ask for it, evidencing:

1. Protection and Indemnity Coverage and Tower’s Liability and Collision Liability Coverage with limits of liability equal to or greater than the limits provided by this policy; and
2. “You” named as an additional insured to the Protection and Indemnity Coverage policy and the Tower’s Liability and Collision Liability Coverage policy; and
3. “You” named as a loss payee for “property damage” to the “vessel”.

The failure to obtain a valid current certificate of insurance, as stated above, and indicate “you” as a named additional insured and loss payee will render this insurance null and void for “property damage” to the “vessel” or “bodily injury” to persons either arising out of towing, pushing or handling the “vessel”.

If coverage is null and void, “we” will not defend claims or suits seeking damages resulting from “bodily injury” or “property damage”.

All other terms and conditions of this policy remain unchanged.
