

HazardHub Wildfire Analysis for Garage/Auto Dealers

Century Online (COL) now automatically runs HazardHub on **Garage/Auto Dealers** risks to **identify and avoid Wildfire/Brushfire Zones in the following states:**

Alaska	Montana	Texas
Arizona	Nevada	Utah
California	New Mexico	Washington
Colorado	Oklahoma	Wyoming
Idaho	Oregon	

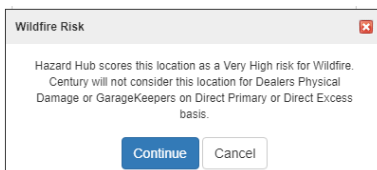

Century is **not a market** for HazardHub Wildfire Scores of “High” or “Very High” for the following coverages:

- Dealers Physical Damage - Specified Causes of Loss/Comprehensive
- Garagekeepers Direct Primary or Direct Excess - Specified Causes of Loss/Comprehensive

Note: Garagekeepers Legal Liability is available in High or Very High Zones

	High HazardHub Wildfire Score	Very High HazardHub Wildfire Score
New	Decline	Decline
Renewal	Brokerage	Non-Renewal

Risks located in a High or Very High wildfire zone will receive a COL Notification before entering coverage:

Additional notification will be provided at the top of the coverage page and summary page:

Quote Authority: **Prohibited** 1

This Will Impact Existing Quotes That Have Not Been Locked/Finalized:

1) Save & Create a Quote Letter. **Lock the Quote.**

2) **Bind using the "BIND" button only.** Do not open the quote via the Named Insured, as it may change coverage availability, pricing and terms.

Insured Name	Quote Status	LOB(s)	Edit	Copy	Summary	Email	Bind
NAMED INSURED - DO NOT TOUCH AT BINDING	Finalized	Garage					

Please Note: To make simple changes such as the date on the quote, do not unlock the quote, there is an option to change the effective date on the binding page.
