

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

WEATHER-RELATED WATER DAMAGE TO WORK IN PROGRESS

This endorsement modifies insurance provided under the following:

ENVIRONMENTAL SERVICES LIABILITY COVERAGE FORM
ENVIRONMENTAL SERVICES BUSINESSOWNERS COVERAGE FORM, PART II - LIABILITY

In consideration of the premium paid, and notwithstanding anything contained in the policy to the contrary, it is hereby agreed that.

1. Section I - Coverages, Commercial General Liability Coverage A - Bodily Injury and Property Damage Liability, 2. Exclusions is amended by the addition of the following:

This insurance does not apply to:

Weather-Related Water Damage To Work In Progress

"Claims" arising out of "property damage" to any building or structure or to any property within such building or structure, before "your work" is completed resulting from, caused by or arising out of precipitation, during the course of "your work".

However, this exclusion does not apply if:

- a. From the standpoint of a reasonable observer, precipitation was not expected between the commencement and completion of work; and
- b. You, or anyone acting on your behalf, prior to:
 - (1) The commencement of any precipitation; or
 - (2) Leaving the worksite for any reason, properly installed a tarpaulin, waterproof canvas or similar reinforced waterproof covering over any opening or surface that had not received its final weather-tight finish.

For the purposes of this exclusion, properly installed means sufficient to protect from weather-related damages.

2. Section I – Coverages, Coverage D - Contractors' Pollution Liability, 2. Exclusions, is amended by the addition of the following:

This insurance does not apply to:

Weather-Related Water Damage To Work In Progress

"Claims" arising out of "property damage" or "environmental damage" to any building or structure or to any property within such building or structure, before "your work" is completed resulting from, caused by or arising out of precipitation, during the course of "your work".

However, this exclusion does not apply if:

- a. From the standpoint of a reasonable observer, precipitation was not expected between the commencement and completion of work; and
- b. You, or anyone acting on your behalf, prior to:
 - (1) The commencement of any precipitation; or
 - (2) Leaving the worksite for any reason properly installed a tarpaulin, waterproof canvas or similar reinforced waterproof covering over any opening or surface that had not received its final weather-tight finish.

For the purposes of this exclusion, properly installed means sufficient to protect from weather-related damages.

All other terms and conditions of this policy remain unchanged.
